Seminary Food Co-op Needs: June—August

The Concordia Seminary Food Co-op is available to students enrolled in classes leading to ordination in the holy ministry or certification as deaconess. Food, clothing, and household items are available at no financial cost to the students. Students register and volunteer time for the privilege of use. St. Paul's members have continued to diligently support the Seminary Food Co-op. **THANK YOU!! Let's keep up the good work and focus on Spaghetti Sauce, Pasta, Canned Fruits, Tuna, Sloppy Joe Sauce, Taco Meals, Refried Beans, Oriental Dinners, Boxed Meals, Canned Tomatoes, Rice, Macaroni & Cheese, Chili Mixes, Kidney Beans and Garbanzo Beans.** As always, they would also happily accept paper towel, toilet paper, and any non-perishable food items you savvy bargain shoppers may find. Be generous and willing to share! Our Food Co-op donation cart is located near the elevator/church office hallway. Let's fill the cart to overflowing once again!

June 19 – Pentecost II/Father's Day

The unique dignity of fatherhood includes protecting others as God does (Psalm 3:3)—even defending them from themselves. Practices like abortion and measures like assisted suicide situate our people among the tombs (Isaiah 65:4). Let us not abandon them to demonic deceptions about “bodily autonomy” but instead with courage and compassion proclaim how much God has done for us (Luke 8:39), creating and redeeming and calling every member of our race precious.

ORGAN RENOVATION

Renovation work on our beloved pipe organ has begun! This past week, the organ crew removed pipes from the organ chambers, set up a workshop in the music room, and were busy cleaning and repairing pipes and vacuuming and washing the pipe chambers inside the organ. Work will continue through next week, when all the cleaned and repaired pipes will be returned to the sparkling clean (and dust free) pipe chambers. At that time the console will be dismantled and taken back to the organ shop in Illinois to be rebuilt. The main organ will be back to serve us around Labor Day. Beginning today and throughout the summer we will have various combinations of brass, wind, and string instruments playing along with the grand piano and the small chancel organ. There are six sets of pipes (far fewer and smaller than the main organ) behind the altar, which is played from a small console which is normally in the chapel. That console is now moved to a location near the baptismal font, so you will notice our musicians occasionally playing from that location. Please know that even though the main organ is out for summer vacation, the same high standards of music will continue over the following weeks, and the singing of the congregation will continue to be led with skill and care. And we are especially thankful to our volunteer musicians who play brass, wind, percussion, and strings, who will be doing lots of extra playing. You are a blessing to us!

Remember Those Who Served at St. Paul's

For those of you who remember Rev. David Mumme and his wife Glenda, June 29th will mark his 25th anniversary in the ministry of the LCMS. Glenda was our Youth Director while Rev. Mumme assisted and served as our field worker during their time here in 1997. He was ordained in his first congregation in Marseilles, IL and has been serving at Trinity Lutheran Church in Waterville, MN. If you would like to send greetings or congratulations, please contact the church office (260-423-2496) for correspondence information.
